

Product Name: Absolute Mitochondrial DNA Copy Number Quantification qPCR Assay Kit (Mouse)

Cat. No.: MDGT-2505-CXX-2

Package: 100 Tests/500 Tests

Description

The kit employs qPCR assay for precise quantification of mouse mtDNA copy number.

Product Details

Sample Types: Cultured cells, Tissue, Blood, Saliva, Urine, Lavage fluid, Spinal fluid

Reactive Species: Mouse

Detection Method: qPCR

Shipping Conditions: Blue Ice

Storage Information: -20°C

 For preclinical research and development use only; not intended for therapeutic or other applications.
